Re: Leo Cambria  
Docket # 05-1002701

05-CK-10027-MLW

Dear Mr. Carney:

I am requesting that you kindly withdraw yourself from my case. I feel

that we are in total disagreement on most everything we have encountered.

As you may well know I have sever liver damage, and have been at the Shatttuck Hospital for three weeks now. I am in extreme pain, I can barely walk, constantly feeling nauseated, cannot eat without feeling very sick. I am having trouble breathing, headaches and my body is filled up with fluids, due to my liver and kidneys. I need an Attorney that's at least going to try to get me better medical attention. I feel that my medical condition is to the point of life threatening.

I would think that the courts should be made aware of my situation. You seem to disagree. At this point I feel my life is at stake and your representation, or the lack there of is not working for me.

I am giving you the opportunity to gracefully withdraw yourself from my case. I am prepared to file a motion to dismiss counsel of my own accord, should you fail to file in a timely manor.

Respectfully

*Leo J. Cambria*
